21/501454/NMAMD	Land West Of Loder Close And Westwood Close Ham Lane Lenham Kent	Lenham Parish Council objects to the above application to site a so-called temporary Welfare Block, including a large toilet facility and noisy generator, immediately to the rear of the adjacent residential properties which incorporate balconies at a higher level overlooking the proposed site. This proposal has been the subject of numerous objections from local residents. The Parish Council agrees with and supports all of those objections. It seems to the Parish Council that the Block could and should be located in the vicinity of plots 22 to 27 on the far side of the site away from existing dwellings and proposed dwellings on the adjacent Jones Homes site to the north
21/501534/SUB	Old Goods Yard Phase 2 Station Approach Lenham Kent ME17 2HR	The Parish Council supports the provision of the play area and notes that it is to be contained within a low fence. The condition requires the submission of the proposal for ongoing maintenance of this area which is not provided at the moment. The Parish Council would prefer to see this detail at this time so that the entire package might be considered as a whole
